| Luminate Brightening Facial      | \$125 |
| Add Jan Marini 40% Glycolic Peel | \$40  |

## High Performance Facial Treatments

### New HydraFacial MD®

The serum based resurfacing HydraFacial simultaneously deep cleanses, exfoliates and decongests, while infusing antioxidant and brightening serums into the skin. Achieve a complexion with radiant, plumped and hydrated skin.

|   |       |
|---|-------|
| HydraFacial MD (30 minutes)                 | \$150 |
| Add Britenol® Booster for hyperpigmentation | \$45  |
| Add DermaBuilder Booster for fine lines     | \$45  |

### Microdermabrasion Facial

Phenomenal for treating aging, sun damaged and acne scarred skin, Microdermabrasion resurfaces the skin stimulating collagen production and evens skin tone. Combined with an Intense Hydration Mask Treatment to calm and plump skin for instant radiance with no down time.

|                                  |       |
|----------------------------------|-------|
| Microdermabrasion Facial         | \$150 |
| Express Microdermabrasion Facial | \$95  |

### LumiLift® Treatment

For amazing firming and rejuvenation, the LumiLift electrodes stimulate and re-educate the muscle tissue producing visible lifting and contouring results, while red LED light stimulates collagen growth.

|                                  |       |
|----------------------------------|-------|
| LumiLift Treatment               | \$125 |
| Add Alpha Beta Professional Peel | \$160 |
| Add Microdermabrasion            | \$210 |

### LumiFacial® Photo Therapy

Developed by NASA, LED light therapy effectively treats acne, pigmentation, redness and photo-aging with a full 30 minutes of photo biostimulation using four light spectrums to target your specific concerns. Optimal results are achieved when paired with peels or microdermabrasion.

|                                  |       |
|----------------------------------|-------|
| LumiFacial Photo Therapy         | \$125 |
| Add Alpha Beta Professional Peel | \$160 |
| Add Microdermabrasion            | \$210 |

### Ultimate Anti-aging Photo Rejuvenation

Utilizing the latest proven anti-aging skin research and technology this is our non-surgical face lift! Visible results are immediate and cumulative with the synergistic combination of resurfacing Microdermabrasion and regenerative LumiFacial and LumiLift treatments.

|  |       |
|--|-------|
| Ultimate Anti-Aging Photo Rejuvenation | \$250 |
|--|-------|

### LumiFacial Acne Rx

Address existing and future blemishes and acne with our medical grade acne facial with LumiFacial light therapy. An effective exfoliation and decongesting extractions followed by therapeutic, calming and anti-bacterial light therapy provide deep reaching benefits for problematic skin.

|                    |       |
|--------------------|-------|
| LumiFacial Acne Rx | \$160 |
|--------------------|-------|
